PREPARING CHILDREN FOR THE EXAM CALLED — LIFE —

At Chrysalis High, we believe education is not just about academic success—it is about nurturing confident, compassionate and conscious individuals who are ready to face the real world.

Our philosophy is rooted in holistic development, values-based learning and real-life skills. We inspire students to think critically, communicate effectively, collaborate with empathy, and lead with integrity.

We do not just prepare children for exams.
We prepare them for life.

“PREPARING CHILDREN FOR THE
EXAM CALLED LIFE”

— THE CHRYSALIS HIGH MOTTO —

WHY MODEL UNITED NATIONS?

01

RESEARCH & CRITICAL THINKING

Students learn to research complex global issues, analyse information and develop well-reasoned arguments.

02

PUBLIC SPEAKING & DEBATE

MUN builds the confidence to speak in front of peers, articulate ideas clearly and engage in respectful debate.

03

DIPLOMACY & NEGOTIATION

Students understand the art of diplomacy, resolution and consensus-building — essential skills for life.

04

GLOBAL AWARENESS

MUN exposes students to international affairs, cultures and perspectives, creating informed global citizens.

05

WRITING & DRAFTING

From position papers to draft resolutions, students enhance their writing and clarify, structure and purpose.

06

LEADERSHIP & TEAMWORK

Students take initiative, collaborate in diverse teams and learn that leadership is about service and shared solutions.

07

EMPATHY & PERSPECTIVE

By representing countries and viewpoints, students learn to see beyond themselves and build understanding and respect.

08

CONFIDENCE & READINESS

MUN equips students with the skills, mindset and experiences to face challenges and seize opportunities in an ever-changing world.

◆ LETTER FROM THE CHAIRMAN ◆

Dear Delegates and Esteemed Faculty,

It is my singular privilege to welcome you to the Chrysalis High Model United Nations 2026, to be held on the 10th and 11th of October 2026, at Chrysalis High, Horamavu, Bengaluru.

This moment marks a powerful step forward in our commitment to nurturing young minds who are not only academically sound but also globally conscious and socially responsible.

In a world that is increasingly interconnected and complex, it is crucial for our youth to understand the nuances of diplomacy, international relations, and collaborative problem-solving. CHMUN provides a vibrant platform for students to step into the shoes of global leaders, engage in purposeful dialogue, and find constructive solutions to real-world issues. It is a powerful simulation that nurtures critical thinking, eloquent expression, empathy, and leadership — values that lie at the very heart of Chrysalis High.

To all our young diplomats: may you embrace this platform with courage and inquisitiveness. Let your words be wise, your intent noble, and your diplomacy be impactful. This is your moment to shine.

Warm wishes for a successful and transformative conference!

With pride and best regards,

Dr. Sawal Das Jethani

Chairman,
Chrysalis High

“

The measure of leadership is not how loudly we speak, but how thoughtfully we listen, how courageously we act, and how responsibly we lead. ”

It is my privilege to welcome you to CHMUN 2026.

A Model United Nations conference is far more than a simulation of international diplomacy. It is an arena where young minds are challenged to think critically, question deeply, engage with perspectives different from their own, and transform ideas into meaningful dialogue.

The experience calls for much more than eloquence. It demands research, preparation, confidence, collaboration, negotiation and empathy—the ability to defend a position with conviction, while remaining open to another point of view. These are not merely skills for a conference; they are qualities that shape thoughtful leaders and responsible global citizens.

What makes a Model United Nations experience truly memorable is the journey itself—the preparation, the conversations, the challenges, the moments of disagreement, and ultimately, the search for common ground. For those who take on responsibilities beyond the committee rooms, it is also an opportunity to experience the discipline, teamwork and ownership that turn an idea into a successful endeavour.

I hope CHMUN 2026 leaves every participant with more than a memorable conference experience. May it leave you with greater confidence in your voice, greater respect for perspectives beyond your own, and a deeper understanding of the responsibility that comes with leadership.

Think boldly. Listen deeply. Debate purposefully. Lead responsibly.

May CHMUN 2026 be an experience that challenges you, inspires you and remains with you long after the final session.

Ms. Rajitha Krishnanand
Principal

◆ OFFICE OF THE SECRETARY-GENERAL ◆

Greetings, Delegates!

Every conference begins with a room full of people who do not necessarily agree. Different countries. Different priorities. Different interpretations of the same problem. And yet, for two days, all of them must find a way forward.

Welcome to CHMUN 2026, hosted by Chrystalis High, Horamavu!!

This year, we bring together delegates from across schools for eight committees built around issues that demand more than prepared speeches and predetermined positions. From questions of national representation and international security to human rights, global debt, refugee protection, gender equality, organised crime and international law, every committee presents its own set of challenges, negotiations and possibilities.

But CHMUN 2026 is not only about what happens behind the placard. With the introduction of our dedicated Press Corps, the conference will also be viewed, questioned and documented from outside the committee room. Our Socials will provide a space for delegates to step away from formal proceedings, meet one another and build connections beyond their committees.

Whether you come prepared to negotiate, challenge, question or simply find your voice, I hope you leave CHMUN with more than a collection of speeches and resolutions—with new perspectives, new conversations and perhaps, a different understanding of the issues you thought you already knew.

I look forward to welcoming you to CHMUN 2026.

Yours sincerely,

Aaria Sarangi
Secretary-General
